**Alice (Sally) Strout**

February 2, 1919 - August 14, 1986

Sally started her public service for the Town of Unity in 1954, when she became a Library Trustee. She served in this position through 1975 for a total of 21 years. She served a portion of a 3 year term as Selectman until May of 1967, when she resigned and was appointed to the position of Town Clerk which she held until 1980. Her motto as Town Clerk was always "If I'm home, I'm open." She was always available to help.

Sally's duties as Overseer of Public Welfare started in 1969 and continued through 1980 when she retired from that position and became Town Clerk. Sally still had one year left in her term as Trustee of Trust Funds, so she served in that position from 1975 through 1981. Her duties overlapped, but taken individually they add up to 52 years of service to our Town.

We dedicate this Town Report to her memory.

**TOWN OF UNITY  
ORDINANCE NO. 86-3**

Ordinance Relating to the Parking and Removal of Vehicles on Roads Governed by the Town of Unity During Snow Removal.

Per order of the Selectmen of the Town of Unity, as of Dec. 15, 1986, all residents and non-residents will be subject to certain rules and regulations pertaining to the parking of vehicles on roads under the jurisdiction and maintenance of the Town of Unity, N.H. In order that snow removal operations can be carried out properly without being hindered by vehicles that create an obstruction, the following regulations are hereby set forth:

1. Between the dates of November 1st to the date of April 1st no owner of any vehicle shall allow his or her vehicle to be parked on a town road during a snow storm and or before the snow has been removed from the road by the Town of Unity.
2. Any vehicle found to be parked so as to hinder the removal of snow from the town road by the Town of Unity, shall be subject to being towed away to a location designated by the Selectmen of the Town of Unity.
3. Any vehicle towed away in conjunction with this ordinance, shall be surrendered to the owner only after all towing and storage fees have been properly paid by the owner to the towing agent.
4. Vehicles shall be towed from any town road in the Town of Unity only under authority and permission of the Chief of Police and or a Selectman of the Town of Unity.
5. Any owner found to be in violation of this ordinance shall be subject to a fine of not more than \$100.00 dollars.

## SELECTMEN'S REPORT

This past year has shown that the Town of Unity is growing at a rate which has caused unique problems. Many hours have been spent in research of old documents and tax records to insure that all of our records are up to date.

We have spent much time on problems dealing with septage and solid waste. The programs which we have to deal with were mandated by the State in the early 1980's just prior to the passage of proposition #2 in 1984 which would require the State to fund these projects. We've had proposals brought to us to place monitoring wells at our landfill. Stuart Stone has worked closely with State officials developing our land for septage. We are now waiting for State approval of our site development plan. Hopefully, these projects will be completed by the end of this year, keeping us in compliance with the clean water act.

Our work with the tax records is completed and we are updating on a regular basis to insure that our tax base is as fair as possible.

After the town refused our request for reconstruction money, we applied for and received, a grant for a feasibility study of renovating the town hall. This study will be completed sometime this year. Once this is done we will require another study to see how much this restoration will cost the town. Unfortunately, this will delay construction for at least another year, if not more. Each year that goes by increases the amount of money necessary for this renovation because of increased construction costs and interest rates. We had to remove the weather vane this year because of the extremely deteriorated condition of the cupola, which held it. This project cannot be neglected or there will be no-Town-Hall.

By careful conservation of revenue sharing funds, we feel we can now purchase some reasonably good used highway equipment like the used town truck purchased from the State of New Hampshire. We are looking into buying more used equipment from the state. This will replace our old equipment which is constantly breaking down. This past year was devastating to our roads because of the amount of rain we had and the resulting emergency repairs to these roads. Because of this we were not able to properly maintain other roads in town.

At our request, all town records and office procedures were reviewed by the Department of Revenue Administration of the State of New Hampshire, and we are very confident that all state requirements are being adhered to. We have also requested another audit of town books to insure that everything is running smoothly. Mr. Phil Golding, CPA, will be doing this audit this month.

The Master Plan for the Town of Unity has been completed and accepted.

The Land and Water Conservation Grant has been approved by the Department of Resources and Economic Development for a total cost of \$40,000.

A letter was sent to all residents in early Summer concerning an increase in unlawful activity in our area. The Town Office worked in conjunction with the Area Task Force to compile information. The Area Task Force has ended but the Town Office would like to inform residents again that they can still call with any information pertaining to the crimes and all information will remain confidential.

We would like to give a special thanks to the 4-H Club members under the auspices of Mary Ruggles and commend them for their civic activities for the Town of Unity.

We wish to thank the Unity Historical Society for their extensive research and work in restoring historic names to the roads in Unity. You will find the official map in the centerfold of the Town Report. To our knowledge this is the first time the Unity Town Report has had a centerfold. We hope you enjoy it.

Personnel policies were developed and implemented in mid-summer for the highway workers.

New personnel this year include Jim Hogan from Acworth who was appointed to be our assessor, Connie Jackson, is our new town counsel. Doug Hackett is the 3rd member of our Police Department, Peg DeLude, is our new recreation director, and Walter Breckenridge is updating our tax maps.

Ordinances accepted this year were on electioneering, Cease-N-Desist orders and winter parking on town roads. Cemetery Regulations were implemented and accepted this summer.

We are proud to have been accepted as one of the official national communities to commemorate the Bicentennial of the U.S. Constitution.

These are a few of the major accomplishments of this year that come to mind. All in all it has been a good year and a lot has been accomplished. We are proud of the improvements of the past few years and hope the next few are as productive. Thank you for your support.

Selectmen  
Fred Bellimer  
Stuart Stone  
Margaret DeLude

## ADMINISTRATIVE ASSISTANT'S REPORT

This past year as Administrative Assistant continued to be as challenging as the last two years. The many files have been organized, enabling the office to run more efficiently. Property assessment cards are in complete order and tax maps are being updated. Due to many subdivisions this year a lot of land was surveyed and the more or less which is incorporated in most deeds to property in Unity certainly held true, sometimes more, sometimes less, maintaining our 22,384 acres recorded last year.

Shirley Hodge, Tax Collector/Town Clerk, continues to work with Liz Lord our in-town computer service to find new ways to make the task of tax collection and the bookkeeping that goes with it, less time consuming and accurate. Everett Hodge continues to do an excellent job as our Building Inspector, and Health Officer. The permit system he uses is working very well and helps the assessor of our property immensely.

The Town Landfill is still in excellent condition due to the exemplary work of Harold Johnson and the highway crew. The landfill is evaluated by the state on a monthly basis and has passed their recommendations with a satisfactory report each time. Our permit system, identifying a resident has worked out very well and will be continued again this year. New stickers will be issued in September this year.

The Highway Department continues to do an excellent job. Last year's rains caused a lot of roads to need an unusual amount of work so some other roads did not get the attention they deserved. Gravel is still a major problem, too little, too far, too expensive.

Priscilla Swensen continues to help me in the town office even though she has moved to Newport. We have attended several meetings together in order to learn more about current use, exemptions, municipal law and bookkeeping. The Police Department, as if they do not have enough to do, has been doing the job of Dog Control officer. So if you have any problems in this area call 3-1233 Valley Dispatch and they will contact the Police.

I became a "Friend of the Library" this year and one of the most rewarding experiences I had was the Christmas Bazaar for the children of Unity Elementary School. With the help of Priscilla Swensen, Mary Ruggles, Pat Flack, Carol Gregory and Sherry Schultz it was a huge success. A special thanks to Sherry Schultz, Mary Gere and Pat Flack for their past and present support of the Town Library.

I could never cover in a single page in the town report what we do every day in the Town Office, telephone calls, transfers, bookkeeping, letters, checking the landfill, checking on properties, checking on loggers in the spring, tax bills, property assessments, land use, researching back taxes, finding owners of lost animals, delivering "Toys for Tots" at Christmas time, and of course the town report.

As I said last year the work is never-ending, but the feeling that you are accomplishing something substantial is never-ending too.

Administrative Assistant  
Ethel Jarvis

## NEWPORT AREA HOME HEALTH AGENCY TOWN OF UNITY REPORT

Throughout 1986 the Newport Area Home Health Agency continued to provide high quality, professional nursing, physical therapy, occupational therapy, and speech therapy services plus paraprofessional home health aide services to homebound patients throughout its service area. Well child services including immunizations and physical exams, dental clinics, and safety carseat loans were extensively utilized. Blood pressure screening and influenza immunization were methods used to promote good health in the adult population. The registered physical therapist conducted an 8 week flexibility and posture class at the Newport senior center.

In keeping with its commitments to provide comprehensive health care services to towns the Newport Area Home Health Agency developed a home assistance program (HAP) to provide aide, companion, and nursing services to patients not eligible for medicare or other insurance coverage. The fee for these services is billed to the patient and/or their family.

The year 1986 was a trying one for Newport Area Home Health Agency and other home care providers as the State and Federal Government attempted to initiate cost containment measures despite the growing recognition of the importance of home health to reduce hospitalizations. In March through September 1% of every Medicare billing was deducted from Home Health Agency payments under the Gramm-Rudman amendment. This meant that the town appropriations were used to fund a portion of every visit to a Medicare patient during 7 months of 1986. In addition, Medicaid reimbursement to care for low income patients was changed from a per visit to a per unit reimbursement in May resulting in less than full recovery of costs for services. Again town appropriations were used to fund a portion of every visit to a Medicaid patient.

Therefore, your town appropriations serve as an "insurance" that essential nursing and clinic services continue uninterrupted to those residents who are in need of care.

Your support and confidence in our agency makes it possible for Newport Area Home Health to continue to provide cost effective home health care.

We wish to thank the staff, Board of Trustees, and volunteers who made the provision of excellent care in 1986 possible. Special public thanks are sent to Mrs. Connie Mountain who "resigned" as a well child clinic volunteer after serving at 109 clinics since she began in 1977!

Respectfully submitted,  
Charen L. Urban. MA  
Administrator

## UPPER VALLEY LAKE SUNAPEE COUNCIL

The Upper Valley Lake Sunapee Council is a public, non-profit voluntary association of towns and cities in the Upper Valley and Lake Sunapee areas. Our thirty-one (31) communities are in two states and five counties.

The Council consists of a Board of Directors and a professional staff. Each town or city annually appropriate funds for the Council's operation and sends two representatives to participate on the Board of Directors. The Board elects officers, adopts the annual work program and budget, and develops policies and positions on issues that are important to our communities.

The Upper Valley Lake Sunapee Council is the official organization that brings towns and cities within our region together. By bonding together and pooling their resources, the local governments have a highly trained, professional staff available to them for a wide variety of services. Areas of expertise include land use planning, master planning, economic and community development, water quality management, transportation, landscape architecture, housing, capital budgeting, historic preservation, downtown revitalization, solid waste planning, recreation and fiscal and environmental impact analysis. The Council also serves as a collective voice for these towns and cities in dealings with the state and federal governments, thereby protecting and furthering the needs and interests of our communities.

Half of your local dues to the Upper Valley Lake Sunapee Council supports regional planning and regional programs. Over the past year, the Council:

- prepared the Upper Valley Solid Waste District Management Plan and provided administrative services to the Solid Waste District;
- sponsored and helped organize the Upper Valley Household Hazardous Waste Collection Program and provided assistance to the New London League of Women Voters to help create a similar collection program in the New London area;
- worked with several communities in the Lake Sunapee area to develop a solution to their septage disposal problem;
- maintained our regional data base, including our role as a Regional Data Center for the U.S. Bureau of the Census and updated and published the Economic Profile of the Upper Valley Lake Sunapee Region which is the primary source of economic and demographic data for our region;
- provided an Economic Development Agent for Sullivan County to help retain and expand employment opportunities in the area;
- testified on several bills before the legislature, including the Connecticut River Resource Authority Bill, and distributed summaries of new and amended legislation to our communities;
- testified on Vermont's 5-year highway plan and New Hampshire's 10-year highway plan;
- sponsored the Municipal Law Lecture Series;
- sponsored two meetings on groundwater protection and distributed model ordinances to each community in the region;
- provided administrative services to the Upper Valley Community Land Trust and worked with the Connecticut River Watershed Council, Hanover Conservation Council and Society for the Protection of New Hampshire Forests to negotiate voluntary conservation easements and deed restrictions to protect open space and conservation lands;

- continued the regional historic preservation program, including historic surveys, national register nominations and historic preservation plans;
- coordinated efforts to secure state funding for the Upper Valley Transportation Study and the Cheshire Bridge and completed numerous traffic studies for our communities;
- provided technical assistance to Advance Transit and County Coach;
- helped over a dozen communities seek state and federal grant funds by providing technical assistance, data and in most cases, preparing the grant applications.
- conducted a survey of application fees for local land use regulations and distributed the survey results to several communities;
- met on numerous occasions with state department heads and legislators to discuss the needs and interests of our communities; and
- updated and amended the Regional Land Use Plan.

As requested by communities, the Council conducted a large number of impact studies concerning proposed developments, prepared amendments to local subdivision, zoning, site plan review, and earth excavation regulations and provided mapping, drafting and other technical assistance.

The UVLSC has also provided a number of specific services to the Town of Unity over the past year including completion of the Master Plan and preparation of the new subdivision regulations which will help implement the new Master Plan. The Town's subdivision regulations have been typed into the Council's computer which will allow the town to easily amend and update the regulations at minimal cost in the future. During the past year the Council has also provided administrative assistance relating to the Water Study at Sullivan County Home. The Town was awarded a \$15,000 Feasibility Grant for the study last year, based on an application written by the UVLSC. This year the Council successfully prepared a \$12,000 CDBG application to study the feasibility of using the Old Town Hall as a community center and will assist the town in using the Old Town Hall as a community center and will assist the town in administering this grant. The UVLSC also updated a Land & Water Conservation Fund application for a Quaker City Conservation and Recreation Area and met with State officials to seek ways to improve the application. Finally, the Council provided a great deal of technical information to the Planning Board and assisted the Board in reviewing and analyzing proposed subdivisions.

The Council's staff of professionals stands ready to assist your community in addressing the planning and growth management issues which you will face during the coming year. We also encourage you to become more familiar and involved with the Council, since we are essentially an arm of local government addressing your needs.

## UNITY PLANNING BOARD

This year has been a very busy one for your Planning Board. The sale of land in Unity has been on a increase, and also the number of subdivisions. The Planning Board has spent a lot of time working with the Upper Valley Council on a Master Plan. This Master Plan will be used as a tool to help the town grow in an orderly manner. We held a public hearing on the Master Plan, and after a few changes we adopted it on November 6, 1986. Now we can use the Master Plan when looking at a new subdivision. This book is on sale at the Town Office for ten dollars (\$10.00) per copy and can also be read at the Town Office and the Town Library.

The new subdivisions regulations that we have been working on for a long time, are ready to be put together, and very soon we will be holding our public hearing. These changes in the subdivision regulations will be the first necessary changes since 1973, and much needed. These regulations and Master Plan will work as one unit to help the town to grow in an orderly manner.

The Planning Board would like to thank the people of Unity for their corporation they have given us. Below is the breakdown of our work this year.

## REPORT OF THE UNITY FREE LIBRARY TRUSTEES

1986

We've come a long way, thanks to the hard work and dedication of our Librarian Jane Orzechowski, the long hours the past Trustees put in organizing a working system, the long hours the Friends of the Library put in raising funds and sponsoring activities.

The Unity Free Library is able to offer our patrons up to date information and services. We subscribe to two daily newspapers and twenty-two magazines. Ask about our InterLibrary Loan. We offer summer movies, reading programs, income tax forms, and information about tax changes.

The Girl Scouts and 4-H also utilize the library for their activities.

We wish to thank the many citizens who supported the Harvest Festival, Book Sale, the Santa Shop and Rabies Clinic. The Peterborough Town Library gave us a Microfilm Reader and we hope this will benefit all the town departments, other organizations and any patron of the Library.

We also wish to thank the citizens who donated many wonderful books, many of which we would not otherwise have.

Our library boasts four thousand books of every interest and wide range of subjects. Remember, the Unity Library has something for everyone.

We are open:

Tues. and Thurs. 1:00 p.m. to 5:30 p.m.

Wed. 1:00 p.m. to 4:00 p.m.

Sat. 1:00 p.m. to 4:00 p.m.

Anyone interested in becoming a Trustee or a Friend of the Library may call the Library during the above hours or the Town Office.

Respectfully submitted,  
Sherry Schultz  
Chairman of the Board of Trustees

# REPORT OF THE UNITY VOLUNTEER FIRE DEPT., INC. 1986

The Unity Volunteer Fire Department responded to 48 alarms this year, of which 20 were F.A.S.T. (First Aid Stabilization Team) Squad calls. Of the 28 fire calls there were 7 car fires, 4 brush fires, 6 chimney fires, 2 structure fires, 6 miscellaneous calls, and 3 calls for mutual aid from surrounding towns. Members of the Fire Department and F.A.S.T. Squad attended 565 manhours training. The majority of these hours were outside of our department. It is our hope that next year we can have more in-house training.

1986 has seen the start of the addition for the Police Department and the completion will be in time for town meeting. Many manhours were spent on the project by members of both the Fire and Police Departments and the police moved into their new quarters in December. Total expenditures for the year were \$7,661.04 with \$2,500.00 coming from the town and \$192.00 from the Police Department, the balance came from department fund raising.

"Club 62" raised \$4,814.75 (including interest) and the balance of the \$6,750.00 payment came from other fundraising. Again many thanks to the "Club 62" members for their support.

On March 8, 1987 from 1:00 p.m. to 4:00 p.m. the Unity Fire Dept. and Police Dept. are holding an Open House for the people of Unity to show them the new building addition. A lot of hours were put into this project by your fellow taxpayers, I'm sure you will agree your \$2,500.00 was well spent.

I would like to thank the people of Unity for their support this past year. With the on-going Homicide investigations and our building project, our small department was pressed to the maximum, but I think we were able to provide you with our services. The budget you see above is to add another officer to try and take up the slack when the other officers are at their regular jobs. Also the large increase is taking some of the usual line items and consolidating them into one budget.

## UNITY HISTORICAL SOCIETY REPORT 1986

The Unity Historical Society has continued to meet at the home of Loraine Light. We are appreciative of her continued generosity. Because of bad traveling, several winter meetings were not held and we had no speakers during 1986.

At the request of the Selectmen, the members of the Historical Society have started to sort old town papers in hopes we'll eventually be able to write a history.

On June 28th we held a successful yard sale at the Town Hall.

In September, again at the request of the Selectmen, we started work on a Map of Unity with as many old road names as we could, some taken from the 1816 and 1860 maps. Claudia (Callum) Harrison has put the map together with the assistance of John Callum, with input from other residents of the town. The map will be the Official Map Of Unity.

At the December 1986 meeting we discussed plans to commemorate the Bicentennial of the Constitution. Roberta Callum was named chairman. Since that time, brochures have been received, as well as much information and ideas for programs. There is a calendar available for \$1.50 and pocket copies of the Constitution for 15¢ each. Margaret DeLude is ordering copies of the calendars to be given to the Unity School - one for each classroom.

Our meetings are held on the 2nd Thursday of the month and anyone who wishes is more than welcome to join us at 7:30 p.m.

Respectfully submitted,  
Roberta Callum, President

## UNITY MOUNTAIN 4-H CLUB

Unity Mountain 4-H Club was organized late in 1975. At present, we are 31 members, meeting at the Fire Station every month. With help from our precious volunteer leaders and parents, we are becoming a busy, eager group, learning new skills that we display at the Cornish Fair.

We strive to promote leadership and good citizenship. Last year we started painting the Center Cemetery fence and did some cleaning there. We intend to finish the job this spring. Members were involved with establishing flower boxes at the Town Common. One other goal we have in mind is to get the flag pole fixed so that the flag can safely fly over the Common again.

These children can be proud of their accomplishments, for themselves and their community.

If any townspeople have a skill or even a story or song to share with us, you will be most welcome.

Organization Leader

## SCHOOL BOARD REPORT

The members of the school board hope that the following report will both inform and reflect the progress we feel has been and is being made at the Unity School.

Our goals for the coming year include the hiring of a part-time art teacher, a part-time guidance counselor and a part-time secretary. We also hope to increase the number of volumes to be placed in the school library. All of these additions will help us to move toward meeting the present minimum standards for elementary schools. In the coming years we will be looking at the areas of physical education and a certified librarian. Fortunately the State has substantially increased our foundation aid to enable us to make some of these improvements.

The school board is aware that the town of Unity is fortunate to have a staff who has shown initiative and originality in the presentation of materials and projects which have created enthusiasm and interest among the students. The teachers' efforts have resulted in recognition of our school and brought pride to the community. We have shown our appreciation of staff efforts by negotiating a fair and equitable two year contract which the teachers have found acceptable.

The board values the time and effort given to the school by the Parent Teachers Club in fund raising for field trips, along with an endorsement of cultural activities.

The school board would be remiss if it's members did not include in this report our gratitude to Mr. Frank Daly, Assistant Superintendent, SAU 6, for his immeasurable help in giving guidance and support in our efforts to improve the education of the students in the Unity Elementary School.

The board is presently comprised of Donald Morse, Loraine Light and Mary Ellen Bellimer, Chairman. We welcome attendance at all school board meetings, which are held at Unity School the second Monday of every month. We would appreciate any input from members of the community that you feel might be of value to us.

Respectfully Submitted,  
Mary Ellen Bellimer, Chairman  
Donald Morse  
Loraine Light

## REPORT OF THE ASSISTANT SUPERINTENDENT

To the Residents of Unity;

The 1986-87 school year has brought with it many changes for Unity Elementary School. On the Unity School Board you elected one new member, Lorraine Light, to join with Mary Ellen Bellimer (chairperson) and Don Morse. The teaching staff includes four new classroom teachers and a new Chapter I teacher. All of these changes have had a positive effect on your school and each of these new people has made an excellent contribution to the school year.

The School Board has been working on developing up to date school policies and establishing goals for the future. Most recently the Board has been planning the budget for the 1987-88 school year. In their budget deliberations the Board has attempted to improve a number of areas that fall below state recommended guidelines. It appears Unity's share of the Foundation Aid allotment will increase substantially next year so we can increase some services without adversely affecting our town's tax rate.

The new State testing program is giving us valuable information about our students and our programs and should help us to do a better job during the year. The students and staff are off to an excellent start and we are looking forward to a great year.

Respectfully submitted,  
Frank V. Daly  
Assistant Superintendent

## UNITY ELEMENTARY SCHOOL ANNUAL REPORT

During 1986 the Unity Elementary School has continued to progress in the area of education and its related programs. Some places where improvement has occurred is in language arts. With our new coordinated program our students should improve their understanding of writing skills. We have managed to improve our test results in the statewide California Achievement testing program. The fourth grade has improved the overall battery scores by three points and the eighth grade by more than nine points. While these increases may not show dramatic improvement, they are continuing in an upward frame. These scores will now assist the teachers in improving the curriculum in the weakest areas.

The beginning of the calendar year sets in motion the second half of the school year. To begin reminiscing the past year the first thing that comes to mind is the great balloon launch during "I Love to Read and Write" week in February. Though the students launched over 400 balloons, one for each book read during the month, not one post card was returned. We were disappointed with the lack of return of the cards, but thoroughly thrilled with the number of balloons launched showing the effort of each of our students. We continued through the year with special programs such as a 2 day workshop by Michael Zerphy, a local Unity resident and talented mime performer. We had an all day visit with the Montshire Museum, showing each grade level the broad world of life that exists outside our own front door. Grades one to four had a wonderful day exploring the undersea world as it exists in the Boston Aquarium.

Along with the numerous exciting and successful times, our children faced several disappointments; such as a rained out picnic, and an aborted whale watch after reaching the coast area, which they handled with responsibility and adultlike acceptance.

September brought us a host of new experiences, beginning the first day of school as we saw a majority of new faces standing behind the teachers desks. This year's staff includes Lorraine Baker in first grade, Toni Williams, grades 2 & 3, Kelly Woods, grades 3 & 4, Jane Elliott and myself, grades 5 & 8, Robin Root, grades 6 & 8, and Tom Ronning grades 7 & 8. In the resource room, we have Gary Pool. In the Chapter I program is Fran Lawrence; Gerri Rudenfeldt is the music instructor, and Joyce Gogan the school nurse. Our two paraprofessionals are Tina Lawrie and Ruth Lacasse. The kitchen staff includes Carol Gregory and Marge Smith, and the building is maintained by Everett Hodge.

At this time, we would like to thank publicly the many people who are not on the payroll who spend many hours with our children, either in fund raising to improve the quality of the extra programs that can be offered, or to assist with playground goals. These people include the Parent/Teacher Club: those men and women that come to the school in the evening once a month to assist the children in various activities, and the Unity Volunteer Fire Department that assists with many programs by allowing us to use their facilities, and the many parent volunteers who come into the building weekly to assist teachers in the classrooms or on special occasions such as dances and field trips. To each of you we give you our heartiest Thank You.

These are the special happenings and the special people at the Unity School: however, on a daily basis we concentrate on the goals of the school. These goals are primarily to educate your children to the best of our and their ability, to

assist each child to use their special talents, and to grow daily. We invite you to visit the school to see us and your child in action. Our doors are always open to you; please enter in and join with us in educating our children as THEY are our FUTURE.

Respectfully submitted,

Principal

## AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board  
Unity School District  
Claremont, New Hampshire

We have examined the general purpose financial statements of the Unity School District and the account group financial statements of the School District as of and for the year ended June 30, 1986, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Unity School District, at June 30, 1986, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Also, in our opinion, the account group financial statements referred to above present fairly the financial position of each of the account groups of the Unity School District, at June 30, 1986, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the account group financial statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Unity School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements of each of the respective funds and account groups taken as a whole.

## ANNUAL SCHOOL DISTRICT MEETING MARCH 3, 1986

Minutes of the Annual School District Meeting held on the third of March, 1986 at the Unity Volunteer Fire Station, Unity, New Hampshire. At 5:15 p.m. the polls were duly opened for acting upon Article I of the Warrant: "To choose a Moderator, Clerk, Treasurer and Auditor for the ensuing year, and one member of the School Board for a term of three years." The Warrant was read in it's entirety, a total of seven Articles, and the Moderator Pro-Tem, Gata Hudson, stated that the polls would be open until 8 p.m. at which time the remaining Articles would be acted upon.

At 8:20 p.m. Moderator Brian Whipple declared the polls closed.

**ARTICLE 2:** "To hear reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto". Accepted as read.

**ARTICLE 3:** Mr. Donald Morse moved that "the District raise and appropriate the sum of \$648,362 for the support of schools, for the salaries of District officials and agents, and for the payment of statutory obligations against said appropriation of such sums as estimated to be received from the State equalization and building funds, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriations, which balance is to be raised by taxes by the Town". Open for discussion. School Board Chairman Morse reviewed the budget line-by-line, during which time there was discussion on appropriations for a full time principal, a contingency fund for unanticipated tuitions and special education costs. Augenblick fund monies were also discussed. At 9:20 p.m. Chairman Morse concluded, stating that this budget reflected a 7.4% increase over last year. Mr. Fred Bellimer moved to amend the budget figure to \$565,683, second by Jim Merrill. Discussion followed. Proposed cuts in Special Education, full-time principal was discussed. A request for a ballot vote called for, and acted upon. Results of ballot vote on the amended figure of \$565,683 in Article 3 were announced by Moderator at 10:20 p.m.: fifty-four (54) "yes" votes; forty-nine (49) "no" votes. The amendment passed. More discussion on where the \$82,679 in budget cuts were to be made. At approximately 10:45 p.m., Mr. Roy Quimby moved to amend the figure in Article 3 to \$638,332, second by Michael Boyd. Bookkeeping procedures explained. Another ballot vote called for by a show of hands. Results of the amendment was forty (40) "yes" votes and fifty-five (55) The amendment was defeated. Discussion followed. Mr. Bellimer moved to amend the figure in Article 3 to \$600,885, second by Tynne Cox. At 11:10 p.m. a ballot vote was called for. Results of this amendment was seventy-five (75) "yes" votes and seventeen (17) "no votes". Amendment passed. The motion now on the floor was Article 3 with a figure \$600,885. Michael Johnson moved to amend the figure to \$625,763 which would be "level funding and would reflect no tax increase". This was seconded by Mr. Quimby. The Moderator called for a voice vote on the amendment. The Moderator declared voice vote too close to call. A ballot vote ensued at 11:35 p.m. The results of this amendment was thirty-six (36) "yes" votes and fifty-four (54) "no votes. Amendment was defeated. The Moderator then called for a voice vote on Article 3 with the amended figure of \$600,885. By voice vote the article passed as amended.

**ARTICLE 4:** Mr. John Phelps moved "to raise and appropriate the sum of \$10,500 to establish and fund a Public Kindergarten/Readiness Program in the Unity Elementary School", (this Article by petition), second by Michael Boyd. Discussion followed with topics of location of Kindergarten, benefits of a

Readiness Program, possible busing. At 12:10a.m. the Moderator called for a voice vote, which was too close to call. There followed a show of hands of thirty-two (32) "yes" votes and forty-one (41) "no" votes. The Article was defeated.

**ARTICLE 5:** Mrs. Mary Ellen Bellimer moved "to see if the District will vote to authorize the School Board to make application for and to accept grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire". This was seconded by Donald Morse. Article passed.

**ARTICLE 6:** Mr. Morse moved "to see if the District will vote to authorize the School Board to accept and expend, on behalf of the District, and all gifts or other funds received from miscellaneous sources as the Board shall determine to be advisable". Second by Joe Cloutier. Article passed.

**ARTICLE 7:** "To transact any other business that may legally come before this meeting". Mr. Morse moved to adjourn, second by Richard Palmer. The meeting adjourned at 12:17 a.m.

After tabulation of the balloting on Article 1, the Moderator read the results of the District's vote. There were one hundred and forty-two (142) ballots casts, including five (5) absentee ballots. For School Board-one hundred thirty-nine (139) votes cast for one candidate and four (4) write-ins; Lorraine Light, the declared winner, with ninety-two (92) write in votes over John Phelps with forty-two (42) votes. For Moderator-eighty-nine(89) write in votes were cast for ten (10) different people; Margaret DeLude was the declared winner with forty (40) votes over Brian Whipple with thirty-two-two (32). For Treasurer forty-six (46) write in votes were cast for fourteen (14) different people. Phyllis Hamel was the declared winner with twenty-seven (27) votes. For Auditor twenty-six (26) votes were cast, all of them write-in, for twelve (12) different people. Plodzik & Sanderson declared winner with twelve (12) votes. For Clerk one hundred and thirteen (113) votes were cast for four different people. Gata Hudson was re-elected with one hundred and nine (109) votes.

The Moderator then swore into office Lorraine Light as the School Board Member and Margaret DeLude as Moderator.

Respectfully submitted,  
Gata B. Hudson  
School Clerk

## **SCHOOL NURSE REPORT**

To the Citizens of Unity:

During the year 1985-86 all the children were checked several times for pediculosis. The incidence of this infestation was very low.

Most all of the students were measured for height and weight and the results were recorded on their permanent records.

Most of the children were screened for vision and hearing.

Of the 125 children in the school, 119 children were tested for hearing and 8 of these were referred to their own doctors for further evaluation. One hundred and fourteen children had vision testing and 8 were referred for further evaluation.

Several weeks were spent checking every health record and trying to update all immunizations and physicals. The principal and parents were very cooperative and all records were complete in record time.

Of the 16 children entering first grade, all physicals and immunizations were complete by October.

Children in grades 1-6 are again participating in the dental program sponsored by the state. Two dental hygienists checked the childrens teeth, explained the daily dry tooth brushing and weekly fluoride treatment. they also showed films on good dental hygiene. They returned twice to the school for follow-up and found a marked improvement in the childrens teeth and gums.

I also offered some guidance and instruction in the areas of personal health and hygiene to several students.

I have truly enjoyed my past year with the children and staff of the Unity School.

School Nurse

## **NUTRITIOUS MEAL PROGRAM**

For the 1985-86 School year the students of Unity School were provided an average of 80 nutritious meals per day. A total of 14,410 meals were prepared and served under the guidance of Carol Gregory, the Unity School Kitchen Manager and her staff, to whom the District is indebted.

As always, the Lunch Program encourages suggestions and comments in order that we may improve this program.
